

Nicholas Troutman

872 Halldale Rd
Montville, ME 04941

1(207)505-1608

n.troutman001@gmail.com

Aspiring architect and (new)Renaissance man. Both an artist and a logistician, actor and writer; a personable individual with an incredibly diverse range of interests, and the skills to back them. Passionate, highly confident, persevering, and mature past expectation. Strong academically, conceptually, and holistically; good oral and written communication skills. Easily finds a “big picture” understanding, naturally falling into leadership positions to provide management, motivation, and support, as reflected in numerous Student Leadership positions. Eager to pursue a Masters degree in architecture, with a focus on sustainability.

EDUCATION

**Carnegie Mellon University,
School of Architecture**

EXPERIENCE

Intern, G.O. Logic LLC, *passivhaus design and build architecture firm—*

January 2015- August, 2015

- Gathered, analyzed, and compiled over 6 years of company financial and project data using excel. Generated a five page project report utilizing multi-dimensional graphing software to show current trends and predictions for the next 2 years.
- Headed a five person team writing and conducting research for a fifty-thousand dollar research and design grant through the Maine Institute of Technology. Managed project timeline, and oversaw editing of material, ensuring completion of material on deadline.
- Assisted with materials research and product order for flooring, insulation, exterior sheathing, and internal furnishings on 3 privet residences.

Camp Counselor, Camp Forest—

June- August 2011, June- August 2012, June- August 2013,
July- August 2014, July 2015

- Working as one of three counselors, minding a small hoard of kids, ages 6-14 on a daily basis. Teaching community, confidence, and problem solving skills, through hands-on primitive skills and crafts.
- Worked to improve marketing and community outreach, organizing and tabling for several events, overhauling marketing media, and developing programs. Camp attendance increased by as much as 72% between 2011 and 2014 as a result.

Wireless Internet Instillation, James Troutman Migis Lodge—

July- October 2014

- Physical installation of 54 wireless access points at Migis Lodge, South Casco, ME. Installation of 12 wireless access points at the Inn at Ocean's Edge, Lincolnville, ME.

Carpentry, Charles Fletcher— July 2013- September
2013, July 2014

Restoration and siding work. Replacing beams, fronting, and siding in an effort to restore an early nineteenth-century house.
